More Than a Pretty Smile

Taking good care of your teeth and mouth is an important part of a healthy lifestyle. Practicing proper dental hygiene, like brushing, flossing, and avoiding sugary foods and drinks, is only part of the oral health equation. Visiting a dentist on a regular basis is also very important.

As an active employee of Foster Adopt Connect, Inc., you have access to a dental insurance policy from United of Omaha Life Insurance Company.

You have so many reasons to keep your teeth and gums healthy. Ongoing dental care will help you maintain the best possible oral – and overall – health and well-being.

Coverage guidelines and benefits are outlined in the chart below.

The plan pays the percentage shown after the deductible is satisfied up to the maximum. Additional information about the benefits and covered services of this plan will be included in the certificate booklet, which you will receive after enrolling for this coverage. Please contact your employer or benefits administrator if you have questions prior to enrolling.

This plan provides different coverage levels for In-Network and Out-Network services. By using an In-Network provider, plan members will save more through the predetermined fee arrangement and better benefit coverage.

The Maximum Allowance for Out-Network Services is based on the 90th Percentile as determined by Mutual of Omaha. Charges that exceed the Maximum Allowance (as defined in the certificate booklet) for any covered dental service are not considered.

ROLLOVER BENEFIT PROVISION

The Rollover Benefit provision allows you and your dependents to save your dental benefit dollars for when you need them most. With this provision, Mutual of Omaha will “roll over” a percentage of the Policy Year Maximum Benefit for each insured person in a given calendar year, increasing the following Policy Year maximum for that insured person (subject to certain conditions). Rollover calculations are determined based on In-Network provisions.
